

Spotted Dick: and other Authentic Dishes with Curious Names (Retro Cookbooks) (Volume 1)

SPOTTED DICK And other Authentic Dishes with Curious Names Retro Cookbooks #1 Over the years, recipes evolve for one reason or another, and sometimes these reasons give their names to a particular dish, such as Half-pay Pudding - created by a thrifty cook during hard times. On the other hand, some old-fashioned favourites, like Zeppelins in a Cloud derive their titles from the way they look. The origins of many names are now lost to us, but the names themselves persist in vintage recipe collections handed down to us from past generations. These authentic recipes are presented here almost exactly as they first appeared. Toad-in-the Hole, Pigs in Blankets, Gooseberry Fool, Moonshine Pudding, Cock a Leekie Soup, Meat in Ambush, Tuesday Soup, Angels on Horseback, Hedgehog, Black Bottom Pudding... these genuine old recipes with wacky names are a lot of fun and could provide a talking point at your next dinner-party! Here they are together, in a unique and hilarious collection!
