

Gold War: The Lost Gold Mines of Canadas Mountain Indians

GOD CAN RAISE UP CHILDREN FROM STONES Within a decade BC will prove to be the new South Africa of precious metal mining with implications impacting greatly on Biblical Creationist models and an overturning of conventional academic theories about geological history. The relationship between First Nations as legal and historical first claimants and other partners/shareholders will change the geopolitics of Canada more than anything since this great confederacy began in 1867. It will be geopolitically comparable to the recent Quebec referendum which saw Quebec remain as part of Canada by a 1% margin. Use the treasure map in Gold War to locate our first gold field of \$100 billion or more in gold ore and win \$5,000, co-authoring Gold War II.
