

Rocky Mountains 2012

The Rocky Mountains are North America's most spectacular range, stretching from the Arctic watershed through the western reaches of Canada and the United States. Travelers from around the world seek out the mountain ranges' breathtaking peaks, glacial lakes, towering waterfalls and abundant wildlife. In *Rocky Mountains 2012*, world-renowned photographer Tim Fitzharris captures the natural splendor of the Rockies, providing an extraordinary collection of awe-inspiring images. Each exquisite scene is carefully reproduced in rich and brilliant color to convey the full grandeur of the landscape. Pause to admire the Rockies in all their majesty, and enjoy the wonders of this unspoiled paradise all year long.
