

A Road to Success: The College Preparatory & Planning Guide

Success starts with a Decision. Those who Fail, Fail to Plan. It is estimated that 7,000 students decide to dropout each day. That is nearly 1.2 Million students a year. 50% of those students are African American and this is equivalent to a loss of \$319 Billion in potential earnings these students will never earn because they are dropouts. A Road to Success is a road map for parents and students to aid them in their journey to demystify the college process. Upon completing the guide, students will walk away with: A Life Plan A plan for tackling and achieving ACT, SAT, and PSAT An understanding of how to successfully navigate College Admissions A plan for securing Scholarship dollars An understanding of the Financial Aid Process Educating students on the opportunities that exists and inspiring them to dream big and know that there is hope for their future is the mission of the book. The intent is to show that success is an option for EVERYONE regardless of their level or background. It just takes proper planning and preparation and this is what has been laid out in the book. So, Take action today and secure the guide that will position you and your child for GREATNESS and a strong positive future post-secondary education whether its a 2-year degree, 4-year degree, military or entrepreneurship..
