

The Most Amazing Adventure Ever Told: Joe and Georgie take Solitude on her Greatest Voyage around the Florida Peninsula by way of the Okeechobee Canal and the Intracoastal Waterways

A married couple take their 35 boat around the Florida peninsula, through the Okeechobee Canal, and in to the Florida Keys. During their 16 day trek, they recorded many hilarious experiences, met a few wild critters (mostly the 2 legged variety), and navigated a variety of weather and sea conditions to create a very entertaining story. This book will entertain experienced cruisers, sailors and those who dream to be alike.
