

Painted Earth Temple (White Buffalo Woman Trilogy Book 2)

In this second volume of the White Buffalo Woman Trilogy, Heyoka Merrifield transports us back to ancient Europe as a mythical tribe of hunter-gatherers is forced on an odyssey away from Gaias land and into the New World. Painted Earth Temple reveals the rites and rituals of a culture of antiquity showing us that their traditions have never been more pertinent than in todays modern age. The Native American saga continues in Lying Down Mountain, the volume in the trilogy.
