

Rogues Home (Knight and Rogue)

The Boys Are Back! Sir Michael Severson and his squire, Fisk, can't seem to keep out of hot water. After five long years, Fisk has been called home to Ruesport to investigate who framed his sister Anna's husband, Max, as a blackmailer. Anna figures that Fisk, with his criminal past, is uniquely qualified to find out who set Max up. Of course Michael feels he has to come along to help his friend; but now he wears the tattoos of the unredeemed and fears he might be more hindrance than help. As in *The Last Knight*, Hilari Bell's first Knight and Rogue novel, *Rogues Home* combines the banter of a buddy story with elements of classic fantasy, medieval derring-do, and mystery. Michael and Fisk are likable guys who just seem to be magnets for trouble. You never know what is going to happen to these would-be heroes next.
