

# The Pre-Paid Legal Story: The Story of One Man, His Company, and Its Mission to Provide Affordable Legal Protection for Everyone

It began by accident. In 1969 Harland Stonecipher came face-to-face with the high price of justice when a car accident he was involved in found its way into the courts. Even though the accident was not his fault, the staggering costs of legal protection nearly destroyed him financially. This traumatic experience planted the seeds of a vision that would eventually become Pre-Paid Legal Services Inc., the company that is revolutionizing justice in America by giving average citizens access to top lawyers for as little as \$15 a month. Inside, discover the dramatic story of Pre-Paid Legal and its army of enthusiastic associates who together make legal protection not just a privilege for the few, but a right for all. About the Authors Harland C. Stonecipher is the founder, chairman, and CEO of Pre-Paid Legal Services Inc. He lives in Ada, Oklahoma. James W. Robinson, the author of the bestselling *The Excel Phenomenon* and *Empire of Freedom*, is senior adviser to the United States Chamber of Commerce. He lives in Los Angeles.
