

Stephen Lives! My Son Stephen His Life Suicide and Afterlife

Puryear brings her emotional honesty to bear on the life story of her son Stephen, who committed suicide at age 15. But hers is a story of hope and healing, as she recounts how her faith in the possibility of life after death gave her the tools to survive personal tragedy and the ability to use her suffering to help others--by passing on the words of inspiration she now receives in Stephens posthumous descriptions of life after death, reincarnation and more. Simultaneous hardcover release from Pocket Books. 2 cassettes.
