

Give Sorrow Words

Since the depression-related suicide of her son Daniel in 2009, author and journalist Lynn Keane has dedicated her life to sharing her family's story, educating about the underlying causes of depression and the importance of treating mental illness. *Give Sorrow Words* stands as a testament to the raw beauty of family experience and offers hope that we are able to survive even when the worst has happened. Lynn Keane's memoir will enlighten and present readers with an honest portrait of family in crisis.
