

# Reinventing Strategic Planning: The Systems Thinking Approach

Finally, THE definitive book on how Strategic Planning has been Reinvented to become Strategic Management. Learn how Jack Welsh at G.E. and other top performing companies in Jim Collins Good to Great best-seller establish a yearly cycle of a Strategic Management System that guides the organizations Strategic Thinking on a day-day, week-week, month-month and year-year basis. Read the research results of 27 different authors and experts and learn why Strategic Planning has been transformed into a living, breathing process and the new field of Strategic Management. Three simple 1-page documents are its essence, not some big SPOTS SYNDROME (Strategic Plan On The Top Shelf Gathering Dust). Learn about strategic consistency and operational flexibility and why shared strategies are essential to success. Learn the #1 absolute for implementation success: a Strategic Change Leadership Team. This Haines Centre Series on Business Excellence and Systems Thinking Approach is based on more than 50 years of scientific research on The Natural Way the World Works and the Haines Centres 21st Century Best Practices Research Reports on Strategic Planning and Strategic Change.
